ELECTION AND AMENDMENT A

Assistant Commissioner for Patents
Washington, DC 20231

Dear Sir:

In response to the Election/Restriction Requirement dated March 24, 2003, please amend the application as follows.

In the Claims

1. (Original) A cholesteric liquid crystal cell unit receiving incident light, said unit comprising
a first cholesteric liquid crystal cell receiving said incident light, said first cholesteric liquid crystal cell reflecting circularly polarized light of one state of said incident light or transmitting said incident light responsive to a control signal; and
a second cholesteric liquid crystal cell arranged with respect to said first cholesteric liquid crystal cell to receive light transmitted by said first cholesteric liquid crystal cell, said second cholesteric liquid crystal cell selected to reflect or transmit light from said first
